MEMBER FOR CASTLE HILL DELIVERING SAFER ROADS FOR CASTLE HILL

Member for Castle Hill Ray Williams MP today announced Castle Hill will receive \$215,000 in vital road safety upgrades as part of the latest round of the Government's Saving Lives on Country Roads and Liveable and Safe Urban Communities initiatives.

As part of the \$182 million record investment, this funding will be delivered through two specific projects to help save lives. These projects will include:

- Installing a 1-lane roundabout (including all traffic calming, line marking, lighting and signage) at the Wrights Road & York Road intersection in Kellyville
- Proposed raised threshold and improved sightlines on Adelphi St, Rouse Hill between Favel St and Panmure St.

"From day one, road safety has been one of my top priorities, and I'm glad to be able to deliver this funding to make these roads safer," Mr Williams said.

KEY POINTS:

- \$215,000 will be spent on two road safety projects in Castle Hill during the next financial year
- \$182 million invested in road safety upgrades across the state during the next financial year that includes the delivery of 224 new projects
- \$141 million will be invested from the Saving Lives On Country Roads program
- \$41 million will be invested as part of the Liveable and Safe Urban Communities program

"Not only is this government fixing local black spots, we're also delivering safer roads right across New South Wales," Mr Williams said.

The Liberals & Nationals in government are investing \$1.9 billion over five years to deliver the Road Safety Plan 2021. This includes \$640 million for Saving Lives on Country Roads and \$180 million for Liveable and Safe Urban Communities.
